ALEX STAFFORD

Jackie helped Catherine Ferrar look long and lean.

(See Biz(941), Sept. 2012.)

DONALD PLINER

This bold and bright pebbled leather tote will be your go-to bag throughout the summer. Perfect either poolside or as your easy carryall, just right for our resort lifestyle. Particularly love the interior zip bag for all your little things. McLaughlin, \$345.

Jackie Rogers of Style Matters knows how to make her clients look sensational—and skinny. Her tips on looking your leanest? “Pay attention to the shape of the garment—sleeve lengths, seaming, volume and details like pockets. Wearing clothes that are right for your silhouette elevates your style instantly.”

LORI SAX

Rhonda Kapusta showed how to wear the season’s hot emerald green at the Debutante Ball. Nice how she doubled up with a necklace of the same shade.

Been to the new Reason’s location downtown yet? It’s no longer your father’s shoe store. Check out this dangerously stylish Donald J. Pliner wingtip oxford for men, pretty cool with the hit of hot poppy on aged leather. Reason’s, \$320.

KEYVYN AUCOIN

I’m obsessed with the new-this-month line of Matte Lip Color by Kevyn Aucoin. Not only are the colors fresh for spring, they are richly pigmented and luxuriously smooth with long-wearing payoff. Molinari Models and Talent, \$32.

This Samantha Wills limited-edition jewelry chest is handcrafted of wood with antiqued brass and mirror. With 16 compartments, it’s a purely decadent way to house your favorite pieces. Bohemian Bliss, \$500.
